

STATEMENT

Statement no.:
C689011

Initial Issue date:
18 September 2024

Valid:
08 October 2025 – 17 September 2026
Expiry date of last certification cycle:
17 September 2025
Date of last re-certification:
11 September 2025

This is to confirm that

ITALGAS S.p.A

Via Carlo Bo, 11 - 20143 Milano (MI) - Italy

and the sites as mentioned in the appendix accompanying this statement

has been found to conform to the standard:

ISO 37002:2021

Whistleblowing Management System – Guideline
November 2021 edition, revised on 19th October 2023

This statement is valid for the following scope:

Management and coordination activities for the exercise, through direct or indirect participation in companies or entities, of regulated activities in the gas sector, such as the distribution and measurement of gas of any kind in all its applications, energy efficiency activities, IT services, water service management activities, including any activity connected to this, instrumental or accessory as well as any activity to be exercised through infrastructures homogeneous to those functional to the performance of the aforementioned activities

Place and date:
Vimercate (MB), 08 October 2025

For the Certification Body:
DNV - Business Assurance
Via Energy Park, 14, - 20871 Vimercate (MB) - Italy

Claudia Baroncini
Management Representative

Appendix to Statement

ITALGAS S.p.A

Locations included in the statement are as follows:
